WEDNESDAY EVENING, NOV. 10, 1880.

GIVE ME THE HAND.
Give me the hand that is kind, warm and ready;
Give me the hand that is calm, true and steady;
Give me the hand that will never deceive me;
Give me the hand that I may believe in;
Give me the hand that is true as a brother;
Give me the hand that has not harmed another;
Give me the hand that is friendly forever.
Give me the hand that is true as a brother;
Give me the hand that has not harmed another;
Give me the hand that is friendly forever.
Give me the hand that is true as a brother;
Give me the hand that has not harmed another;
Give me the hand that is friendly forever.

The Way of the World.
Fresh Cleanings from the Home and Foreign.
"Swans sing before they die." They have to sing at all.
Every time a child is born in St. Louis a cry goes up for a new census.
A Bucks county, Pennsylvania, man has just ended a law suit of forty-two years' standing, and recovered six cents damages.
A Georgia young man asked his sweetheart whether she had ever read "Romeo and Juliet." She replied that she had read "Romeo," but she did not think she had ever read Juliet.
William Henry Shaw, of Indiana, incurred a debt of \$14, and he felt so bad over it that he hanged himself. The creditor, who was the man to feel bad, only swore.
A woman in Marshall county, Kansas, who is enjoying her fifth husband, lost her first two by hanging through vigilance committees, a third was sent to the penitentiary, and the fourth committed suicide.
An aged and wealthy Milwaukee widow found a wife by a queer method. In office grinding mill in Chicago a female packer placed in several bundles of coffee a card saying that any gentleman matrimonially inclined might address her. This widow found the card while preparing his lonely breakfast a card with his housekeeper, and now the Chicago girl is Mrs. —.

Artemus Ward, during the unhappy, sleepless nights which were common to him, used, when in his pain and melancholy, a "goak" struck him (as in accordance with a common psychological paradox, it often did), to get it down on the wall by his bedside. Goldsmith did a similar thing, and Pope, more affluent and vain than either of them, adopted the uncomfortable plan of ringing up his servants to fetch him writing materials.

A Boston man besought his wife, he being but three years married, for the privilege of a night key. "Night key?" she exclaimed in tones of amazement; "what a can you have for a night key when the 'Woman's Emancipation League' meets Monday night, the ladies' Domestic Mission' Tuesday, the 'Sisters of Jericho' Wednesday, the 'Daughters of Science Circle' Thursday, the 'Daughters of Nineveh' Friday, and the 'Woman's Progressive Art Association' and the 'Suffrage Band' on alternate Saturday nights? You stay at home and see that the baby doesn't fall out of the cradle." He stays.

Workmen.
Before you begin your heavy spring work after a winter of idleness, you need needs cleansing and strengthening to prevent an attack of Ague, Biliousness or Spring Fever, or some other spring sickness that will unfit you for a season's work. You will save time, much sickness and great expense if you will use a bottle of Hop Bitters in your family this month. Don't wait. See other columns.

Sign.
If you see a lady drop her glove and a gentleman by the side of her, kindly telling her to pick it up, you need not hesitate in forming an opinion that they are married. If you see a man or woman's face all covered with blotches and pimples, you must not hesitate but tell them to use Spring Bitters. Price 25 cents; trial bottles 10 cents. For sale by H. E. Cochran, Druggist, 127 and 129 North Queen street, Lancaster, Pa.

A Pastor Made Happy.
I have been greatly troubled with my children and liver for over twenty years, and during that entire time I have been free from pain. My medical bills were enormous, and I visited both the Hot and White Springs, noted for the curative qualities of the water. I am happy to say I am now a well man and cured entirely as the result of Warner's Safe Kidney and Liver Cure. With such glorious results, I am only too glad to testify regarding the remedy which has made me so happy.

Young Sawbones.
Some young surgeons when accidents happen, in order their great skill to show, cut the leg off close to the thigh. When they only should cut off the toe; then cutting off a dog's tail by the ears, or the skinning alive of the frog. It's all very well as a surgical case, but devilish tough on the dog.
It's much better by far when you're wounded, or have either hand or foot maimed, to find Electric Oil is the very best thing. And it won't take you long to learn.

It is no quack medicine, but stands upon its own merits, as any trial will amply demonstrate.
